### Tool-Bag BASIC 1101091 and PREMIUM 1101092

**Practical, closed leg tool-bag for accident rescue in two sizes. This means that the most important gadgets and tools are right at hand when they are needed.**

- Tool-Bag for the leg with thigh strap and belt/pants strap for a secure hold and optimal access during the operation.
- Closable lid keeps gadgets in the holster even when working overhead or in a lying position
- Made of sturdy and tear-proof Cordura fabric, incl. well organized interior compartments
- BASIC (red): Small, not disturbing size for your most important gadgets
- PREMIUM (yellow): Larger size with a dispenser for disposable gloves, a pass-through for the tool-keeper incl. magnets for holding the gadget on the outside of the bag and space for additional tools.
